

# Celanese Quality Policy

## Commitment to Our Customers and Community

- We will continually strive to identify, understand, and fulfill the agreed-upon requirements of our customers.
- We will adhere to the components of our quality management systems.
- We will comply with the relevant legal, regulatory, and business specific requirements, as appropriate.

## Commitment of Our Employees

- We understand that we cannot be successful without satisfying our customer's needs.
- We understand and will comply with the requirements of the quality management system and this quality policy.
- We will seek and complete the necessary training to carry out our responsibilities.

## Commitment to Continuous Improvement

- The Quality Policy, quality goals, objectives and targets are established and reviewed as part of our commitment to continuously improve the quality management system.
- Effective corrective and preventive action processes will be utilized to enhance performance.
- Improvements to our processes are driven through the continual use of best practice tools, focusing on both customer and stakeholder needs.

Celanese Executive Committee  
March 1, 2008

*Celanese is a leading global producer of value-added industrial chemicals, food additives, and high-performance engineered polymers. Our products are manufactured in North America, Europe and Asia.*
